

## 2024-25 Crosscut Elite Team Application Form

Elite Team members are selected based on their potential to progress in the sport of biathlon, their work ethic, their potential to support and push their teammates by being a strong team player, and the alignment of their personal goals with Crosscut's program goals and resources.

Elite Team members are selected on a year-by-year basis by a committee and sign an athlete agreement with Crosscut Mountain Sports Center. Athletes are selected based on the program's three tiers – Tier 1, 2, and PG/Collegiate. Program fees and costs vary for each of these three tiers. Crosscut will work with athletes on payment schedules to spread payments out across multiple months.
